

## Merck HPV Vaccine Patient Assistance Program

Merck has a Patient Assistance Program for anyone who is self-pay or has Medicaid. The program will help pay for the HPV vaccination and is based on income and the number of people per household.

### **Income/Household Guidelines:**

1 person = \$19,600 income limit  
2 persons = \$26,000 income limit  
3 persons – \$33,200 income limit

Sign up for the Merck Patient Assistance Program by visiting [www.merckhelps.com](http://www.merckhelps.com). Print, complete and send to Merck. Once processed, Merck will notify you.
